WHAT WILL YOU DISCOVER AT CATAWBA COLLEGE'S YOUTH THEOLOGY INSTITUTE?

Discover is a summer program for middle school (rising 7th, 8th and 9th grades) and high school students (rising 10th, 11th, 12th, and just graduated) to engage in a week of theological study, careful reflection, and spiritual growth. The program is designed to enable youth to discover who they are as children of God, to come to understand key components and concepts of Christian faith and be able to apply these concepts to their daily lives and decisions about their life's work. Hosted at Black Lake Retreat Center, Discover has a summer camp feel with worship, service projects, games, recreation, and activities, all geared toward an enriching and fun experience.
