Lexington, NC**

JULY 2018

Dear Beloved Community,

"WhooHoo! This place feels good!" Words said excitedly by a teenage boy Monday night in our Church Fellowship Hall at the Open Hands Meal. This young man lives in a house that has no air conditioning, only a small fan to circulate already warm air. He lives with a parent, yet he is responsible for getting himself from place to place. In the late afternoon on Monday, June 18 when the temp swarmed around 93 degrees, you as a congregation gave a tremendous gift to this young man and to so many like him who have no access to AC on these hot days. Not only did he receive a meal, but, I truly believe, the cool air he felt was a powerful symbol of the breeze of the Holy Spirit...of what grace feels like when life is tough and the odds are stacked against you. Thank you First Reformed for BEING THE CHURCH.

I have spent 2 days in Greensboro at the Annual Gathering of Southern Conference of the United Church of Christ held in Greensboro. Our conference, like the nation in general, is concerned about the issues of immigration, sexual violence, racial equity, the environment and so many other challenges. I took part in seminars and discussions on how the Church can help show love and compassion in

the midst of these difficult times. I also had rich conversations with other pastors whose congregations went through the *Building An Inclusive Church* process. I continue to believe this process is leading us in a healthy direction as we seek to further ourselves in God's mission. I believe we have a unique calling at First Reformed to help alleviate the suffering and pain that, unfortunately, so many have felt from traditional churches.

Conference delegates from our church were Patti and Jerry Lovell, who volunteered for the hospitality team who helped provide refreshments to those who attended. They can also provide other info about the meeting.

I want to say *Thank You* to Clifton Murphy for agreeing to serve on the Board of the Southern Conference. I know his wise spirit and calming presence will be a blessing to the Board as they continue to seek to discover how to better serve the churches in the Southern Conference.

As part of my call agreement with you, I receive 4 weeks vacation. I will be taking 2 of those beginning June 25. Rev. Dr. Lee Jessup will lead worship on July 1, and Rev. Larry Bolick will lead worship on July 8. Please support the church and

these ministers with your attendance. Rev. Mike Hooper and Rev. June Grubb will be On-Call should a pastoral emergency arise.

Summer blessings be upon you. Enjoy the warm weather as you are able, be reminded of God's spirit in all the summer goodness, reminding you that you will never walk alone.

Striving alongside you in love and hope to BE THE CHURCH,

Elizabeth

Dear Friends,

Thank you for your recent gift to the American Children's Home. Always remember that you are here during each event being held, each need being met, and during each life being transformed. Our staff is just the one implementing your blessing.

Victoria Davis
Financial Development Assistant

Dear Friends,

Our young people are very fortunate to have caring friends, like you, so willing to help us meet their needs. We want to thank you for your gift of \$250.00 received on June 1, 2018.

As you know, this gift helps us meet the needs of our children. The children who come here come with very little. Your gift will help us provide for them, as well as prepare them for a better life when they leave us.

Thank you from all of us here at American Children's Home.

Sincerely,
Kathy C. Berrier
President, CEO

Dear FRUCC,

Thank you to everyone for your cards, calls, e-mails visits and thoughts during my recent hospitalization and rehab.

It really means a lot to me knowing you are there. Again, thank you.

Doug Sink

Dear Brothers and Sisters in Christ,

We would like to acknowledge your generous giving to our Emergency Aid Fund. So far in 2018 you have donated \$1438.00. May the Lord bless your ministry.

Yours in Christ,
A. Lee Zehmer,
Treasurer, GLAMA

An acknowledgement has been received  
from Gideons International for the \$300 received

MORNING GLORY CIRCLE ~submitted by Susan Miller

Morning Glory Circle had their final meeting for the year at Yarborough's on Wednesday June 6th. There was a short business meeting with updates on homebound members, reading minutes, and sharing the treasurer's report. Rita discussed how successful the meal for the homeless shelter was and how extra food was divided. Lib Sink led our devotions. We then ended with our delicious meal. We will begin our next season in September.

Building an Inclusive Church Process

Please review the Draft of the Welcoming Statement printed below. Below the statement are questions for you to provide feedback. The Welcoming Task Force will meet on July 11 to review. On July 22, the congregation is invited to a church-wide brunch after worship for additional conversation about the statement and BAIC process. Your questions and comments are encouraged as we proceed in the process of becoming an inclusive church.

DRAFT of Welcoming Statement

If you are searching for a place to experience God's wondrous and inclusive love, we invite you to join us at First Reformed United Church of Christ.

Following the example of Jesus, we believe that God's love, Christ's church, and the power of the Holy Spirit are for all people. We believe our unity as one body in Christ transcends worldly differences, and that no matter who you are or where you are on life's journey, you are welcome here.

First Reformed United Church of Christ is an Open and Affirming congregation, which means we welcome into the full life and ministry of the church all people, regardless of ability, age, education, ethnicity, family or marital status, gender identity or expression, income, nationality, political affiliation, race, sexual orientation, or any other distinction.

At the baptismal font and at the communion table, from the nursery cribs to the church leadership, whether you were raised in a church or have never before attended one, we affirm and celebrate the diversity of God's children as a blessing and welcome you to First Reformed United Church of Christ.

PLEASE REVIEW THE DRAFT OF THE WELCOMING STATEMENT

What do you like about the Welcoming Statement?

What questions do you have?

I would like to speak privately with Rev. Horton.

FRUCC: Who We Are

As part of the 6-week Adult Discussion video series, "UCC: WHO WE ARE" we looked at the UCC Statement of Faith, realizing that in our denomination we have testimonies of faith, not tests. This means that while reciting collective creeds and unison statements helps us communicate our faith and build community with one another, none of us are mandated or required to believe or recite any particular theological doctrine in order to be part of the Church. The class participants were asked to complete these sentences about faith as they felt led. Below is the beautiful Statement of Faith that was created. What would you add?

I believe that God...

- ~is the Spirit of Love.
- ~is everywhere for all people. (He goes by many different names.)
- ~loves each and every one of us and is present always.
- ~is the ground of all being and our constant companion.
- ~loves all people...period!
- ~is LOVE!

I believe that Jesus...

- ~is the light showing the way to love = "God".
- ~is my constant companion.
- ~is the good shepherd.
- ~is our great and consummate mentor.
- ~loves all people...period!
- ~is always with me and loves me unconditionally.

I believe that the Holy Spirit...

- ~is transformative to the person and world who accepts it.
- ~guides me (when I allow it!)
- ~is shown in every act of kindness we do.
- ~is always there for us.
- ~is our comforter and advocate.
- ~invades our souls and keeps us on the right track for Jesus.
- ~is within us, guides/leads us.
- ~surrounds us and comforts us.

I believe that the Church...

- ~is the collection of people seeking the previous statements.
- ~is a family of seekers with similar paths, not always agreeing but continually seeking.
- ~is a community of loving people seeking a closer walk with God.
- ~is the body of Christ made of huggers, seekers, and servants.
- ~is a reflection of what it does for the community.
- ~supports the growth of all its members.
- ~is a family of love and support that helps guide us as we seek to be more like Jesus and be better servants.

CONGRATULATIONS HOLT BIESECKER!

He will be attending Appalachian State University in the fall and is this year's recipient of the Vernon G. Price, Jr. Scholarship.

HOME "TWEET" HOME

Thank you again, Buddy Lohr, for the beautiful hand-crafted bird-house for the church garden. Buddy installed it early June for our feathered friends to enjoy.

If you have not had a chance to look at the article from the April 2018 issue of "Davidson Living Magazine" posted on the bulletin board right outside the church office, take a few minutes to stop by and read it. We are fortunate to have Buddy share his talent with the church in such a special way!

SHIPWRECKED! Submitted by Jerry Lovell, Chairperson, Bd. of Christian Education

It wasn't Robinson Crusoe or Gilligan's Island, but it was a great five days of learning and fun for about fifty kids who were **Shipwrecked** at Second Reformed Church for Vacation Bible School.

Each evening began with kid-friendly meals, enjoyed by adults, too.

Next, there was music and dancing and action and enthusiastic giggles. Students moved on to their age-grouped classes to learn about the many ways God can rescue all of us in so many different situations: when you're lonely, worried, struggling, have done something wrong, or are feeling helpless. The children had fun with stories and activities each night that reinforced the theme.

Young and older adults attended classes led by Reverend Jim Luck and his wife, Paula. These two tag-teamed topics that examined the differences and similarities in religions and denominations: including music, architecture, sacraments, art, and worship services.

In all, there were approximately 100 folks in attendance each night from the combined congregations. First Reformed was represented by eight members interacting with everyone there. As our local newspaper used to always end coverage of social events, "A good time was had by all!"

FRIENDSHIP CLUB ~submitted by Cathy Waitman

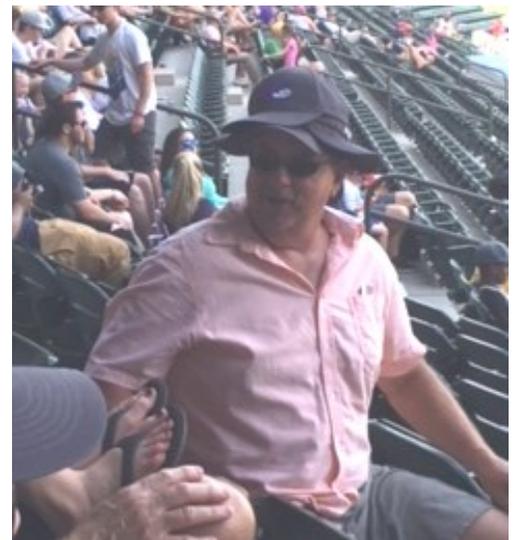

Wednesday, June 13, Friendship Club members, children, grandchildren, relatives and friends visited All-A-Flutter Butterfly Farm in High Point. After a presentation about the life cycle of Monarch butterflies, we entered the butterfly garden armed with sugar sticks. It was not long before we had butterflies on the sticks, in our hair, and attached to our shirts. As the sun came out, the butterflies became more active and flew around us landing on fruit, sponges, and flowers in the garden. Some of us walked on the nature trail and some of us left with butterfly bushes to plant in our own yards. As you can see from the pictures, everyone had a great time and enjoyed being out in our natural environment!

I have enjoyed planning programs, arranging our "field" trips, and going on all of the outings for the past several years. This is my last newsletter report. I am resigning as Co-Vice President of Friendship Club. I hope the next Co-VP enjoys working with John and Paula as much as I have. I will still participate in activities, just as a regular member! Have a great summer!

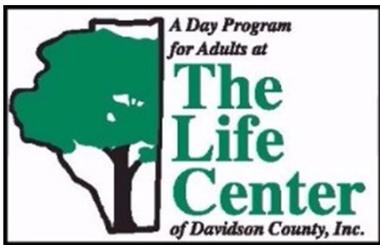

TAKE ME OUT TO THE BALL GAME!

We had a "BALL" at the Winston Salem Dash game on June 3, even if it was a little warm!
