A Message from Rev. Elizabeth Horton

The season of Lent has begun! How wonderful to spend Ash Wednesday with our neighbors and friends from First UMC, St. Stephen UMC, and Second UCC! The Ash Wednesday offering for YMCA child/after-school care scholarships was 465.00! This will help many families in our community seeking to find a safe, enriching place for their children.

Our Lenten theme is "Finding Our Way." Our prior Worship Series acknowledged that much around and within us has Unraveled. Now it's time to pick up the pieces and discover where God is leading. Lent is the season when we slow down, change our way of thinking, quieten our souls and listen to what God wants to say to us. We look inward, and simultaneously outward at the world we live in. Lent is for soul searching... both ours and the soul of this congregation.

The prophet Isaiah reminds us that soul searching is not merely for ourselves, but is always connected to serving others.

"Is not this the fast that I choose: to loose the bonds of injustice, to undo the thongs of the yoke, to let the oppressed go free, and to break every yoke? Is it not to share your bread with the hungry, and bring the homeless poor into your house; when you see the naked, to cover them, and not to hide yourself from your own kin?" - Isaiah 58:6-7 NRSV

We will find our way together and with God's guidance.

We began Lenten worship last Sunday, February 26th, with Guest Speaker Beth Callicutt, Principal of Charles England Elementary School

Looking Back at Special Gathering with Others

Betty Barr

The New Year came in with a wonderful joining of First Reformed UCC and Second UCC churches gathering for brunch and a great sermon.

Then, in February we again came together for an amazing jazz sermon at Second UCC and a fabulous lunch. On Ash Wednesday First, Second, St Stephens and First Methodist came together for an Ash Wednesday service. WOW!!!

All this togetherness. It's been so much fun getting to know new people, getting to see people we have not seen in a long time. It's truly great to worship and socialize with everyone. Let's keep it going to continue spreading love and happiness throughout our community.

Our New Sound and Streaming System

Kivi Miller

If you haven't had a chance to watch our Sunday services on YouTube yet, please check it out the next time you can't make it on Sunday morning! You can also watch the recordings any time of day. On a typical Sunday, about 10 households are watching the service live with us on Sunday morning, and each weekly recording is viewed about 60 times.

Our YouTube channel is <https://youtube.com/firstreformeducclexington> and you can also find the most recent recordings on the website homepage at <https://frucc.org>

In March 2021, as services returned to the Sanctuary, we began live-streaming Sunday mornings using two small cameras, an iPad, and two iPods as microphones. Thanks to the commitment and talents of Jeremy Peterson, who had to troubleshoot constantly, and Ellen Peterson, who had to do a lot of weekend work on YouTube, we made that system work for almost two years. We knew, however, that we would eventually need a more stable and more professional long-term solution.

After many months in 2022 of reviewing our needs, vetting proposals, getting the budget approved, working with our vendor to get the new system installed, and yes, more troubleshooting and tweaking, we are now happy with the quality of the livestreams that we are producing each Sunday! We think you will

be amazed at the high-definition video quality compared to the old system.

This new streaming system is also now fully integrated with the Sanctuary sound system -- it's all one system. That means that Elizabeth no longer needs to wear two microphones, and we just need one set of volunteers to run the whole system instead of one set in the balcony and one down in the pews. This also means, however, that when we change something about the sound in the Sanctuary, it affects the live stream sound and vice versa. So please be patient with us as we continue to balance the needs of those in the Sanctuary with the needs of those at home watching online.

If you have any questions or comments about the technology in the Sanctuary (mics, speakers, etc.), please contact Dave Fulton. If you would like to volunteer to be on one of the Sound & Streaming Teams, please contact Kivi Miller. We would love to have you join us! We will provide all the training and support you need -- no previous technology experience needed! Our goal is to have enough volunteers that each person only has to work in the balcony about once a month.

Sunday Morning Bible Study

Sundays at 9:30 am – Church Parlor

Learning to Live Inside Out: Lent is a bi-directional season or at least it should be. That isn't how we usually experience the season, however. Too often, we see the Lenten Journey simply as a journey inward. While this is a great start or an important component to a powerful Lenten experience, it can't be the whole story. Examining your soul is more than just looking inward, it is also considering the state of your soul as it walks about in the world. This isn't new. Historically, the church has talked about the spiritual disciplines in two directions. Like the great commandment, these two sides of the same coin cannot ultimately be separated. That is why this series is about doing both—looking inward and moving outward. We are learning to live inside out as we explore the experiences of: Adam and Eve, Abraham and Sarah, Moses, the Samaritan woman at the well, Samuel, the healing of the blind man, Ezekiel and Lazarus.

Come join us! Coffee and tea and sometimes snacks are shared as we enjoy lively discussions of the text!

Meeting Minutes 2-22/2023

Patti P. Lovell, Secretary

*14 members present, including new member, Joyce Phillips.

After lunch orders were placed, Glenyce Fulton called the meeting to order and called on Camille Morgan to share her program, entitled "A Positive Friend". This reminded us that we should always have our hearts and eyes open for opportunities because we never know when/where they may show up. A quote from Norman Vincent Peale encourages us "to find a need and fill it."

We have so many ministries here at First Reformed. Patti Lovell challenged those present to experience one of them personally over the next two months.

+Find a way you can volunteer at Charles England Elementary School. Bring items for the Food Backpack program to church. + Come downstairs on Mondays (4:30-5:30 pm) or Thursdays (3:30-5:30 pm) to help with the Clothes Ministry. You might hang some clothes, or you might be the ear for someone who needs to talk. + Show up on Saturdays around noon to help cook/plate/deliver meals to those who come hungry. Homemade desserts are always appreciated. + Sunday mornings, folks are needed to share time with our Young Disciples. This is especially important since we currently offer no Sunday School or Children /Youth activities. + Those of you with a green thumb might want to work in the Community Garden.

Our World Famous Soup sale was another success, and we thank you for your support.

We'll be feeding the Shelter on March 13th. We appreciate Cheryl Walser for helping us.

We received updates on members who've had procedures or are recuperating and signed cards to be sent to them.

Women's Fellowship has purchased new tablecloths for the round and rectangular tables in the Fellowship Hall. These won't have to go to a laundry, we can wash/dry them ourselves.

There was discussion, but no firm decision, on possibly having a baked potato and salad lunch after church in the spring.

Our next meeting is scheduled for March 29th, 11:30 at Yarborough's. All ladies of the church are invited to join us.

Young Disciples Unraveled

Smithie Parrish

In keeping with our theme Unraveled, the young disciples worked with strips of cloth to create the beautiful woven pieces that were featured on the altar during service on Feb 12th. They were also featured during the Ash Wednesday service as background for the torn fabric.

While we had fun ripping fabric and then weaving the pieces together we talked about relationships and being an important part of the church family. Special thanks to those who helped with this project.

Community and Ministries

Update from Garden Dave

Our good friend Dave Luck is progressing well. He is now working at the Veterans Restoration Quarters, receiving a steady paycheck! He is also in the process of getting hearing aids.

We're all sending good vibes to Dave and knowing that this move has been a well deserved life change for him.

We are grateful for Dave, for the ABCCM/Veterans Restoration Quarters, and to God for placing Dave in just the right spot!

Davidson Medical Ministries

During February, our Education Building hosted Davidson Medical Ministries while they repaired water damage in their facility. They used four of our rooms to meet with patients or conduct meetings. This has come to a close, so we no longer will see medical equipment or exam tables in this church.

We are blessed to have a building that can be a place of refuge for those experiencing hardships.

Hope and Healing for Our Community

Making a Difference Charles England Elementary School Partnership

Jay Whitley

I was always proud of my Mom! But I was never prouder of her than when she retired. She was not the type to sit at home and vegetate. She had too much yet to give. She wanted to give back to her community some of that which it had given to her for many years.

My Mom certainly was not one to rest on the laurels of days gone by. She liked, in her own quiet and unassuming way, to continue to make a difference. And she did! After her retirement from First Citizens Bank and Trust Company, she took her place as Women's Guild Leader at her church. She was a leader of the Women's Sorority of our local Veterans of Foreign Wars that established the Veteran's Memorial Park in our hometown.

Finally, the thing that kept her motivated to be the benevolent soul that she was, were the children in need at The Four Oaks Elementary School. There were many Hispanic students at the school whose parents were immigrants to our area helping work on our family farms. These children needed "Reading Buddies" to help them learn English. My Mom became one of those "Reading Buddies". She would spend several hours a week helping the children and she always came home, said my Stepdad, with a smile on her face and a happy attitude. She had made a difference!

When we retire, we all look forward to some "me time." Certainly, we all deserve this. However, if we are honest with ourselves, we must conclude that the magic word of retirement is simply a term that denotes a "change of priorities"! Surely, no one really likes doing nothing!

Friends, if you want to "make a difference" in the lives of others, as well as your own, get in touch with our church office and tell Ms. Jackie that you want to become involved with our Charles England Elementary School Partnership.

You will make a difference!
And you will be glad you did!

First Reformed and Tyro UMC Connection

Jerry & Patti Lovell

If you happen to drive by First Reformed UCC on Thursday afternoons you may have noticed either a church van or school bus with Tyro United Methodist Church written on the side of it. The two churches have been working together to offer more opportunities to serve people in the area for several months.

On each Thursday night at 6:00 pm, Tyro UMC provides a meal, a program, and a take home package; like what Open Hands does here on Monday nights. They provide transportation to and from Tyro, making scheduled stops along the way, including tent cities. This offers folks from other parts of Davidson County to experience our Clothing Ministry. The bus arrives about 4:00 pm so our friends can shop for about an hour before leaving for Tyro UMC. Word of mouth and the Good Lord brought these churches together.

On Thursday nights at 4:00 pm generally five volunteers come to help in any way they can. They help unload donations, sort, and put items on hangers. Because they are more familiar with many of the situations, they are able to better help some of our friends than we might be able. Some of these folks show up on Monday nights, bringing a friend in need or simply coming to just help. Word of mouth and the Good Lord puts these Ministries on folks' hearts.

Churches are asking to come visit and to tour the Clothing Ministry and to see the Ministry at work on Mondays and Thursdays. Most recently, a minister from an African-American church in the county made a visit and returned with members of her congregation to help fill some of their needs. Word of mouth and the Good Lord led her to First.

Our collaboration with Tyro Methodist is not just a bus stop; it is an extension of the Clothing Ministry. We're growing and expanding due to word of mouth and the Good Lord. Thanks be to God!
